ADDENDUM # 1

PROJECT MANAGER:

Johan Uyttewaal
Associate Director
Facilities Planning & Capital Projects
juyttewa@calpoly.edu

DATE: June 12, 2009

Submittal Date: June 25, 2009
before 3:00 p.m.

This addendum is hereby made a part of the Request for Qualifications identified above to the same extent as though it were originally included therein. Addendum # 1 Items 1-1 through 1-4 incorporated into Request for Qualifications.

Item 1-1 RFQ Section 3 – Qualifications, 3.3 Experience, Part A.2.

DELETE ALL OF SECTION 3.3.A.2. AND REPLACE WITH THE FOLLOWING:

3.3 Experience

A. Respondent Firm Requirements

2. **Respondent** is required to hold all required licenses to conduct business offering geotechnical / construction materials inspection and testing, and special inspection services in the State of California. **Respondent** must have all of the following on staff and available as needed:
 - a. At least one (1) full time employee who is a California licensed Geotechnical Engineer (Soil or Soils Engineer);
 - b. At least one (1) full time employee who has ICC certification as a Special Inspector.

This requirement cannot be met by hiring a subconsultant with these credentials. It is acceptable for one full time employee of **Respondent** to be used to meet this

requirement if he/she possesses both of these credentials. The Primary Contact Professional (described in Section 3.3.C) can count towards this requirement.

Item 1-2 RFQ Section 3 – Qualifications, 3.3 Experience, Part C.1.a.

DELETE SECTION 3.3.C.1.a. AND REPLACE WITH THE FOLLOWING:

3.3 Experience

C. Primary Contact Professional

1. **Respondent** shall designate one (1) Primary Contact Professional in its Statement of Qualifications, who would be assigned responsibility for this work, serve as the primary interface with the **University's** Project Manager, as well as the person to supervise and assure quality control of work performed by other personnel and subconsultants. Identify the location of the office from which the Primary Contact Professional would be operating. The Primary Contact Professional must be a full time employee of **Respondent**, and shall:
 - a. Hold at least one or more of the following: (A) California Geotechnical Engineer (Soil or Soils Engineer) license; and/or (B) Special Inspector ICC (or equal) certification.

Item 1-3 RFQ Section 3 – Qualifications, 3.3 Experience, Part E. Construction Materials Inspector

DELETE ALL OF SECTION 3.3.E. AND REPLACE WITH THE FOLLOWING:

3.3 Experience

E. This subsection intentionally left blank.

Item 1-4 RFQ Section 4 – Scope of Services, 2nd paragraph

DELETE THE OCCURRENCE OF “Construction Materials Inspector” AS IT APPEARS IN SECTION 4 – SCOPE OF SERVICES, 2nd PARAGRAPH.
